### ***Please pray for....***

Give thanks that Susan's brother Michael has received healing in his stomach. He is now able to eat and is getting stronger.

Please pray for peace, good concentration and stamina for our young people who will be sitting exams in the next few weeks.

Please pray for God's provision for Bridget following a reduction in her work hours.

Please continue to pray for healing for Su L. and Dawn.

The funds we have available to us for mission and ministry come from our own generosity and giving - whether it be the occasional gift given on a Sunday, or regular amounts by standing order. We encourage everyone to pray into this with us as we look to increase our annual budget.
