### ***Please pray for....***

Please continue to pray for Susan's brother Michael who had an investigative procedure on his bile duct last week.

Pray for our young people sitting exams. That they will know God's peace and be able to recall all they have learnt.

Please pray for Noemie and the children as they prepare to move to Switzerland to join Matt.

Continue to pray for Su L as she is still suffering with neck pain.

The funds we have available to us for mission and ministry come from our own generosity and giving - whether it be the occasional gift given on a Sunday, or regular amounts by standing order. We encourage everyone to pray into this with us as we look to increase our annual budget.
