

Make an Affirmations Mobile!

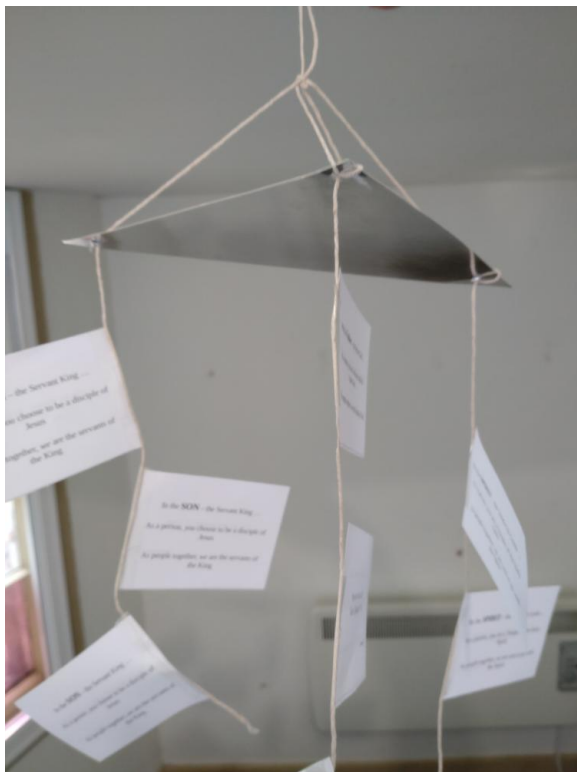

Use the silver triangle, 3 lengths of string and the 9 slips. You will also need some sellotape.

Run a length of string through one of the holes in the triangle, and loop it back round so that it goes through the same hole again, with at least 25cm dangling below the triangle (have the silver side of card facing downwards). Do the same with the other two pieces of string through the other holes.

With sellotape attach the 3 'Father' slips to one string, 3 'Son' to another, and 3 'Spirit' slips to third string. Collect the 3 strings above the card together and use to hang the mobile (as per picture).

Either while making the mobile together, or in coming weeks, choose a slip and rehearse what it says on the front of the slip - reminding us of who the Father / Son / Spirit is; who we are in Jesus *as an individual person*, and also who we are *as people in church together*.

PTO

Then look at the other side of the slip and declare the affirmation over each other in your family. If you have younger children you will need to talk about what some of the words mean. As a family talk about what it means to be what it says on the slip.

Optional Extra! If you have a mirror, then take a felt pen (typically one suitable for overhead projector slides!) and copy an affirmation from the slip to the mirror. Through the coming days you can look at the mirror and see the words written over you, as a reminder of who you are in Jesus.
